START:

**EXT. MOUNT FUDGE PATH - DAY**

SPOTTIE LEONARD is taking a stroll. She comes across a strange button.

**SPOTTIE**

Huh?

Spottie presses the button.

**QUIRKO (O.S.)**

Ah ha!

QUIRKO appears in front of Spottie, startling her.

**SPOTTIE**

**(startled)**

Who are **YOU!?**

**QUIRKO**

**(introducing himself)**

I am Quirko, master of shape-shifting!

**SPOTTIE**

Master of shape-shifting? Could you demonstrate?

**QUIRKO**

Ah ha, yes!

Quirko transforms into multiple things, such as a kite, a refrigerator, a replica of the Statue of Liberty.

**SPOTTIE**

**(impressed)**

That’s pretty cool of you!

**QUIRKO**

But wait! I cannot forget THIS one!

Quirko transforms into a door.

**SPOTTIE**
Could you take me home, please?

**QUIRKO**
Just enter inside and I'll take you to your destination!

Spottie is inside Quirko's door.

**QUIRKO**
Here we go, Spottie!

Quirko takes Spottie to where she was at the beginning of the episode.

**QUIRKO**
At your destination, Spottie!

Beat.

**SPOTTIE**
**(annoyed)**
This is where I started taking my walk, Quirko.

**QUIRKO**
Oh. Sorry 'bout that.

**INT. SPOTTIE'S ROOM**
Quirko transports Spottie to the inside of her house.

**QUIRKO**
Ah ha!

**SPOTTIE**
Much better.
